## GRACE LUTHERAN CHURCH

*50 Years of faithful service*

*2,600 Sunday services*

*100's of Baptisms*

*Countless prayers*

*Numerous lives impacted*

*A rich full life of service*

Ask members of Grace Lutheran Church what they think of their church and you'll get warm, enthusiastic answers:

Some will say: "A great place to come to be connected to others who have the same belief in God and His Word."

For others, it's more like a home, a "place of refuge in a fast-paced world." Still others will say, "friendly, inviting; a welcoming, caring place."

From a tiny church building, what we now call the "Chapel", where in 1963 a handful of people gathered for worship, to the beautiful Sanctuary we worship in today, this church has always been about touching lives with the love of Jesus and the power of God's Word.

We have a lot to be grateful for as a church, don't we, and the good news is we're just getting started. The best is yet to come as together we: Build Relationships, Grow Spiritually, Reach Out.

MANY WONDERFUL EVENTS have been planned for this year of celebration that will bring back precious memories, fill us with laughter and fun, and inspire us for the future.

We hope you will join with us in celebrating 50 Years of God's faithfulness and blessing to His church here.

Watch the Bulletin and Grace Notes for details regarding upcoming events.

Celebrating together,

Pastor Gordon

## LIBERTYVILLE DAYS PARADE

Did you see the wonderful Grace Lutheran Float in the parade? A special **THANK YOU** to Renee Denault for organizing/coordinating this year's float along with everyone who participated in their special way - from the Transportation/Trailer, Float/Design/Construction/Storage, Banners, Sound System, Promotional Materials, and Parade Walkers, you did a terrific job helping Grace celebrate 50 years in the Community!

## CAR WASH

R.O.C.K. Father's Day Car Wash raised \$345.00 that will be used for the Youth Group Mission Trip to Rosebud Indian Reservation in South Dakota. Thank you for supporting this Youth Ministry!

## FURNACE AND AIR CONDITIONING UPGRADES AT GRACE

- As a result of our participation in the Smart Ideas for Your Business program sponsored by ComEd and North Shore Gas, we have recently completed an upgrade for all the furnaces and air conditioners at Grace. All eight of our old, 80% AFUE furnaces were replaced with 95% AFUE units, and six of our air conditioners (some of them 35 years old with SEER values probably no greater than 6) were replaced with 13 SEER units. Two of our air conditioners failed last summer and had to be replaced at that time. These new, more efficient units should result in significant savings over the years in our electricity and natural gas usage. Rebates from North Shore Gas for the furnace upgrades helped us achieve these upgrades, but the grant program from which we hoped to get additional funding was suspended before we could apply.

## HAVE YOU NOTICED SOMETHING DIFFERENT IN CAFÉ GRACE?

New chairs have been purchased from the Earl and Geri Maether Memorial Fund. These twelve chairs have replaced the old metal folding chairs.

## Upcoming Events

### MANY HANDS MAKE LIGHT WORK

Dear Grace Members,

We've already had a number of special events celebrating our 50<sup>th</sup> Anniversary. But there is still an upcoming event that will make our celebration even more special. On Saturday, October 26<sup>th</sup>, Grace will be having a special dinner for the adult Congregation at The Forge of Vernon Hills. At that time we would like to have a silent auction as a fundraiser. Items would be ready for review at church two Sundays before the 26<sup>th</sup> so all who are interested in bidding will have the opportunity even if they aren't able to attend the dinner.

Now here is how you can help. We would like all members, individuals, family, friends, small groups, etc. to provide a raffle item for auction. As a group it will be easy and fun to work on an item together. Be clever, think outside the box, because there will be a prize for the auction item that brings in the most money.

Here are some ideas that might inspire you and/or your group to come up with a great item: restaurant gift cards, basket of books (children and adults), handmade items, dessert of the month (everyone loves food items!), movie basket, wine basket, spa basket, sports basket.

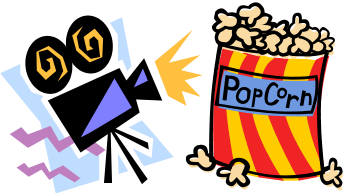

There are so many things we can do to make this a successful event. Please give this some thought and start working on your auction items!

If you have any questions, please call or email Audrey Johnson at 847-680-3258, [audreyjohnson6@sbcglobal.net](mailto:audreyjohnson6@sbcglobal.net). Thanks in advance for helping make this an exciting and memorable event.

Habitat for Humanity Lake County activities for 2013 include the Neighborhood Revitalization Initiative. There are 1500 vacant properties in Waukegan, 750 in Zion and 250 in North Chicago due to foreclosures. The cities and banks are donating some of these properties to Habitat, where the houses will be deconstructed and a new house built or the house will be rehabbed. Habitat has 14 of these homes in inventory. The Habitat for Humanity's motto is "A hand up, not a hand out". It's great to make a difference in someone else's life. Check out [www.habitatlc.org](http://www.habitatlc.org) for more information.

### **THE AIMEE RICK MEMORIAL FUND**

recently made a positive difference in the lives of several children and young adults with disabilities. The Memorial Fund was established in 1995 in memory of the daughter of Tim and Julie. Aimee had multiple physical challenges, but brightened the lives of all she encountered.

Prior to her death at age 6, Grace held a rummage sale to offset expenses for technology needed by Aimee to help her communicate and interact with others. Subsequent rummage sales added funds to a Memorial in her name to benefit other children with special needs.

#### ***Recipients of donations this year are:***

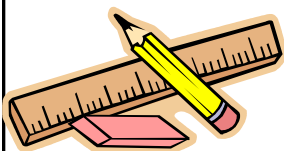

**Christina Steele** - Christina is non-verbal, and received a communication App for an iPod touch. She has been using this App on a trial basis for several months, and is able to successfully communicate with her family and friends for the first time (Christina is 20 years old).

**Brennen Garcia (pictured)** – Brennen has difficulty with verbal communication, but has a LOT to say. He was awarded an iPod touch and a communication App which he uses at his 2 worksites and in social situations.

**Adam Moritz** – Through a joint project involving the Wauconda Jaycees and Lions Club, students from Cyd Lash Academy, and local tradesmen, Adam's home now has a ramp that accommodates his wheelchair. It has been very difficult for Adam to leave the house, even to attend school. The ramp now makes this possible, and Adam is looking forward to joining his classmates on a regular basis. Funds from the Memorial paid for materials to construct the ramp.

**Laremont School** – Laremont School houses over 140 students from throughout Lake County who have significant physical, cognitive and/or health challenges. All students in this program use technology on a daily basis - to communicate, learn, and even to play. A \$5000 donation to Laremont will be used to purchase a variety of devices that can be used by any student at the school to help them interact with their world.

## ***We Care and We Share***

### **SCHOOL KITS FOR LWR**

Service Workshop will once again assemble school kits this Fall for Lutheran World Relief. School Kits contain essential supplies to help children - and in some cases, adults - continue learning despite the hardships they face.

Please remember this when sales on school supplies typically start in July! Items that are needed: 70-sheet notebooks wide-ruled or college-ruled paper (no loose-leaf paper), rulers with inches and centimeters, pencil sharpeners, safety scissors, #2 pencils with erasers, ballpoint pens (no gel ink), crayons (24 pack), 2" pink erasers.

Thank you in advance for your contributions to this project. A school kit may provide the only supplies for children returning to school after disruption of war or other recent disasters! Please contact Nancy Bruick 224-475-0494 if you have any questions.

Donations are due by September 1.

## ***Youth News***

Please remember them in prayer as they "Reach Out" to the members of the Sicangu Lakota Tetunwan Oyatee Sioux tribe.

# Growing With Grace Preschool

## PLAYGROUND NEWS

The Preschool Board is excited to announce that a new playground will be installed this July! We have designed a play structure appropriate for children 2-12 years old to serve our church and Preschool families. The playground, new fence, and rubber mulch are fully funded from Preschool income, fundraisers, and generous personal and corporate donations. The current structure will be finding a new home at Lutheran Church of the Cross in Arlington Heights, IL. There will be some volunteer opportunities to help prepare the space, construct the playground (under the supervision of the company), and spread mulch. The supplies and tools are provided, but we need to have volunteers work shifts. No construction experience needed. If you would like to be part of this fabulous process, please sign up on the sheet located by the display in Café Grace so we can contact you. Thank you so much for your continuous support to allow us to make this upgrade possible.

### A Word from the Terrific Twos . . .

# Synod News

As we at Grace Lutheran celebrate “50 years” in Christ, The Metropolitan Chicago Synod/ELCA is celebrating “25 years” of serving Christ.

Ruth Falkenhayn, Stan Howard and Jeff McClurg were blessed and proud to represent Grace at this year’s Synod Assembly in Tinley Park, Illinois. The event was highlighted with wonderful speakers, especially the keynote speaker, Rev. Herbert W. Chilstrom, who served as presiding Bishop of the ELCA from its inception from 1987-1995. Also inspiring were the “Mission Moments”, when we learned about different good works throughout the ELCA and Chicago area churches.

At our lunch break we met with the North District of the Metro Chicago Synod, our district, and received our “50 Year Certificate”. It was a proud moment for us all!

The elections were held and our current slate was re-elected including Bishop Wayne Miller. All wonderful people doing God’s work! There were 5 resolutions discussed and voted on. You can find the results at <http://www.mcselca.org/assembly/>.

The main message overall was that as the ELCA celebrates 25 years and we at Grace celebrate 50 years, that:

**“We are a church that is deeply rooted -  
and always being made new!”**
